Father Swamy's Message...

Be a Eucharist Person:

In simple terms this means imitating Jesus in our thoughts, words and actions. The Eucharist is Body-broken and Blood-poured-out for others. Accordingly, we will participate fully in the benefits of the Eucharist only to the extent that we imitate, in all aspects of our lives, the generosity and unselfishness that we see in the life and death of Jesus Himself. The Eucharist will certainly help us to be more thoughtful and compassionate and forgiving Eucharistic persons. But this cannot happen without our own serious commitment to love and serve others. Just as Jesus brought the good news of God's love, salvation and healing to the world, so must we. This means that we must care for others, feed them, forgive them, accept them and help them to become children of God. In these ways, we may truly become Eucharistic persons.

I want to appreciate you and your exceptional faith for the HOLY EUCHARIST. I am so much impressed to see you in great number attending the daily Masses both in Sacred Heart and Holy Family. Wonderful time again we offer you to experience Jesus intimately and tangibly on 1st and 3rd Wednesday's Adoration to the Blessed Sacrament.

May God's peace and joy be with you.

Father Swamy Nannam MSFS

Why Be Catholic? We are asked many questions that we may not know the answers to. Have you been saved? How do we know that God even exists? Why are we here? PRAY FOR RAIN & FAVORABLE WEATHER!!

God does not come to free us from our ever-present daily problems, but to free us from the real problem, which is the lack of love. This is the main cause of our personal, social, international and environmental ills. Thinking only of ourselves: this is the father of all evils.
