The dispensation from Sunday Mass & Holy Day Masses continues because the Church does not want to place a moral burden on those who should not attend Sunday Mass because of age or health conditions. **If those in good health are attending other large social gatherings, they should also be participating at the Holy Sacrifice of the Mass on Sundays.**

As we prepare to celebrate "Presidents' Day" holiday, it is important to remember the deep faith of our founding fathers. On October 3, 1789, George Washington gave a Presidential Proclamation to acknowledge God and offer "thanksgiving" to him. The proclamation stated, in part, "...it is the duty of all Nations to acknowledge the providence of Almighty God, to obey his will, to be grateful for his benefits, and humbly to implore his protection and favor" — and "to recommend to the People of the United States a day of public thanksgiving and prayer to be observed by acknowledging with grateful hearts the many signal favors of Almighty God..."

And, we are all familiar with the greatness of Abraham Lincoln, whose purpose was to free the slaves and heal a nation. In his second inaugural address on March 4, 1865, he stated, "With malice toward none, with charity for all, with firmness in the right as God gives us to see the right, let us strive on to finish the work we are in, to bind up the nation's wounds, to care for him who shall have borne the battle and for his widow and his orphan..."

The person who prays is like someone in love with the beloved in his or her heart wherever they go.

So we can pray at any moment, and during what happens every day: on the street, in the office, on public transportation, through words and in the silence of our hearts. [#Prayer](#)

Are you an Active Member:

Are you an active member, The kind that would be missed? Or are you just content that your name is on the list? Do you attend the meetings and mingle with the flock? Or do you just meet in private and criticize and knock? Do you take an active part to help the work along? Or are you satisfied to be the kind who just belongs? Do you work on committees, to this there is no trick; or leave the work to just a few and talk about the clique? Please come to the meetings often and help with hand and heart. Don't be just a member, but take an active part. Think this over, members, you know what's right from wrong. Are you an active member or do you just belong?
