Christ died because He loves each one of us: young and old, saints and sinners, people of His time and people of our time.

**Marriage Minute...** How can Easter impact your marriage? After the sacrifice of Lent and the gloom of Holy Week, we can sometimes arrive at Easter like someone who has finished a dreaded chore, and we resume regularly scheduled life. However, if this is our approach, we miss the gift Easter can be for our marriages. The first message of the Resurrection is "Don't be afraid!" This phrase is proclaimed to all who approach the empty tomb, and to us as married people as well. We should not be afraid: • ... of serious illness, financial or relationship problems. He has conquered even death, so He can bring good out of any evil we face. • ... of facing our own or our spouse's sin. He loved his disciples after they abandoned him. He can help us love each other with that same love. To unleash Easter Joy into your marriage, visit [www.JoyfulMarriageProject.com](http://www.JoyfulMarriageProject.com).
