Marriage Minute....Are you still eating turkey? The first turkey sandwich the day after Thanksgiving is great, but if you were forced to eat nothing but leftovers until Christmas, the menu would get old fast. There are times in marriage, such as immediately following the birth of a child, or while the family is dealing with a loss, that we need to give our spouse our "leftover" time, energy and attention. While this is understandable, if it becomes a habit, our spouses will begin to feel unimportant. To keep this from becoming a bad habit, try: • Sharing your feelings regularly. • Intentionally showing physical affection. • Praying together. • Expressing gratitude to and for your spouse. These small gestures do not take a lot of time and effort, but can go a long way to help you stay connected when life gets crazy! For more, www.JoyfulMarriageProject.com
