Mental Health Awareness Week October 7 - October 13, 2018 Pope Francis has been very open about his mental health treatment received in the 1970s. It's not surprising that our holy Pontiff has the confidence to share his need for support and guidance from a mental health professional. Pope Francis is the world's most sought out Religious leader. His simplicity, humility, and transparency is the model for reducing guilt and stigma that obstruct the graces of God's healing. Please join us in the celebration of Mass as we pray for a united, compassionate community, and to ease the burdens of stress, grief, loss, depression, and anxiety. October 6, 2018 8:00 A.M.
